

ROUND UP WEEK 1

I thought I would give this a go as I have found our players have sometimes put in excellent league performances without the rest of the members knowing. We are a club and I feel all of us should be given the chance to contribute one way or another, good results are part of that. This first round up might be longer than normal just to get it off the ground.

Div 1: **KP1** beat Electricity 6-4 with Chris Rogers 3 and James Berry 2. **KP2** had James Lancaster playing up and winning two alongside Zia Malek, Mitch Davidson 1 in a 5-5 draw with Syston. **KP3 and KP4** both lost 6-4, the latter being 3-0 and 4-2 to the good in their debut season after promotion first up against Winstanley.

Div 2: Local Derby for **KP5** in beating **KP7**, George McClurkin 3 and Andy Searle 2. Excellent victory for **KP6** against Winstanley II when Corey Lancaster, Dillon Kearney and Emanuele Carriero all won 2.

Div 3: Match winning maxi for Simon Aldis in **KP8's** 6-4 victory over Abbots Road with **KP9** not playing.

Div 4: Very good win for **KP10** by 8-2 over Leic Tennis and Squash, Jayal Mistry and David McBryde three apiece while **KP11** defeated Nomads II 6-4, Steve Bessant and Robert Geary two each, the latter the doubles with Bill Walmsley who won one. No result for **KP12**.

Div 5: **KP15** the new junior side beating Desford 6-4. Niam Kotecha and Muhammad Osman two each and Tanver Solanki one. KP14 v KP13 postponed.

If anyone in your team deserves a mention at any time, not always because they have won three, then let me know.

John Bowness.
